Dear _____

The Bukas Loob sa Diyos (BLD) Covenant Community, a 501-C3 nonprofit association of the Faithful in the Archdiocese of Newark, has been in existence since 1992, with the primary goal of assisting the Catholic Church in Her mission of evangelization and charity work. The BLD Community has been the earthen vessel of the Holy Spirit in the spiritual growth and transformation of the many who participate in the various encounters, retreats, educational and renewal programs designed for individuals, couples and families. The BLD Community has also been the instrument of healing for many people, made possible through the Community's united and steadfast commitment to pray unceasingly through intercessory prayers. Most of all, the BLD Community has consistently served as the arms and feet of the Catholic Church in Her corporal works of mercy through various outreach programs, such as nursing home visitations, soup kitchens, medical missions, and other charitable actions that serve our brothers and sisters in need.

On behalf of the Community, we appeal to your generosity to please place an ad in our 2018 **BLD Christmas Journal** (ad prices are at the end of this letter). What a great way to send your Christmas greetings and messages! Your invaluable support through your ad placement will go a long way to help BLD to continue providing services to the community on more solid ground. *Seize this golden opportunity now to join us in extending God's compassion and mercy to our brothers and sisters in need.*

Thank you so much for your time and attention. May God bless you for your generosity and may the love and peace of Christ be with you always.
